

Société de la Tour Eiffel increases its presence on the Parc du Golf in Aix-en-Provence by a further lease for 3,840 m² of office space

Located in Aix-en-Provence, the Parc du Golf confirms its attractiveness with 3,840 sq. m of leases signed or renewed with quality companies, highlighting the dynamism of this Business Park located in the heart of the business hub of Aix-en-Provence.

As a reminder, in the autumn of 2016, having launched the construction of a building with 4,300 m² of office space for the Capgemini Group (handover is scheduled for the end of January 2018), thus holding 29,000 m² out of the total of 43,000 m², Société de la Tour Eiffel intends to pursue its development policy:

- through additional acquisitions,
- through internal growth, thanks to its land reserves allowing the construction of 4,500 m² of additional office space,
- and by developing other services.

Ideally located in a fast-growing economic hub, the Parc du Golf is particularly well connected in terms of road and motorway access, as well as being located only a few minutes from Aix-en-Provence high-speed train station and the international airport of Marseille-Provence.
