

Société de la Tour Eiffel leases 2,600 m² of additional office space on its La Défense Nanterre-Seine Eiffel business park (69,000 sq. m.)

After leasing 2,700 sq. m of additional offices to several companies in the spring of 2017, the Société de la Tour Eiffel has announced it has leased a further 2,600 sq. m to three new companies on its Parc Eiffel La Défense Nanterre-Seine.

As a result, thanks to the dynamic approach of its leasing policy, the Société de la Tour Eiffel has leased some 5,300 sq. m on this particular business park since its acquisition at the end of 2016.

Several other major negotiations are scheduled for signature by the end of the year.

Located along the A86 motorway, the Parc Eiffel La Défense-Nanterre-Seine consists of 19 office buildings, light industrial premises and land reserves for future development. The complex has included a day nursery since the beginning of September 2017. Various possibilities are being studied for the inclusion of other new amenities including catering facilities, a sports club, corporate concierge services, etc.
