

Société de la Tour Eiffel leases some 3,500 m² of office space in its Linéa building in La Défense

Société de la Tour Eiffel has announced it has leased 3,500 m² of offices in its Linéa building, located in Puteaux (92) in one of the largest European business districts (La Défense) with an exceptional view of the ringway around La Défense. Nearly 3,100 m² of office space have been leased by SDEL (Vinci Energie Group) which has set up operations with a 4-year firm lease, supplemented by 400 m² for Groupama, a brand new tenant.

The lease agreements confirm the attractiveness of the BREEAM in Use Linéa building, with its 15,765 m² of floor space and quality services for its tenants, including a gym and an inter-office restaurant.

Now with a 95% occupancy rate, some 7,000 m² of office space had been previously leased, 1,223 m² of which were to underpin the expansion of a tenant already present in the building.
