

Société de la Tour Eiffel leases 3,000 m² of additional office space on its Eiffel business park of La Défense-Nanterre-Seine (69,000 m²)

Société de la Tour Eiffel has announced that it has rented more than 3,000 m² of additional office space on its Eiffel business park of La Défense-Nanterre-Seine, bringing to 13,000 m² the rental agreements signed in 2018 on this business park of 69,000 m², which now has an occupancy rate of more than 80%. Located close to a wide range of transport systems (A86 motorway, regional express railway (RER) line A at Nanterre University station, T2 tramway, etc.) and the leading European business center of La Défense, the business park for light industrial and offices attracts multinational companies, SMEs and start-ups.

Of the 3,020 m² of offices that have just been signed, 770 m² are for SAMSIC and 645 m² for WAYCOM, plus 880 m² as a lease renewal and extension for Takara Belmont and 725 m² of extension space for the Daikin group (headquartered in France).

Since its acquisition by Société de la Tour Eiffel at the end of 2016, the Eiffel business park of La Défense-Nanterre-Seine has been the subject of large-scale renovation and restructuring work on the existing buildings. The company provides a wide range of supplementary services for the benefit of its tenants (catering and keep-fit sections, nursery, security command post, selective sorting, etc.).
